LIAISON 2-1

1 August 1967

Attached is some general information on education in Mongolia as of January 1967 which partially answers some of the questions raised. There is somewhat more detail in the NIS on Religion, Education, and Public Information, which but it is dated 1955.

The Office of Current Intelligence advises that it has no further education data. A specialist on Mongolia who has left the Agency suggests that UN documents may have some of the information you are seeking.

Sincerely,

Special Assistant  
Director of Basic Intelligence
